

Miracle at the Festival!

A person attending a festival received a paper just like this one. He took a moment to read it. It had plain text like this one. The title was "*Miracle at the Festival*" just like this one. The person read the short message; it was a simple invitation to turn the paper over and read what was written on the back. The person turned the paper over and read the Bible verses on the back, believed them and received the forgiveness of sins and the gift of eternal life – the greatest miracle ever! The person had entered the festival lost (*like you perhaps?*) and now would leave saved forever. Now any person receiving "*Miracle at the Festival*" who turns it over and reads the verses on the back and believes them in their heart can also receive the forgiveness of sins and the gift of eternal life – a potential great miracle. Great miracles can happen to anyone at a festival and could happen to you right now. Don't remain lost, turn this paper over and believe for yourself and the great miracle will happen to you too.
