
Last Minute Offer

What if all these cataclysms blamed on the changing climate were rather the prelude to what the Bible calls the great tribulation?... What if the moral decay of our modern societies was in fact the apostasy of christian nations predicted by the Holy Scriptures?... Why take the risk of remaining in such peril? We definitely need to consider these things as...

Very urgent! We beg you, Please...

We urgently plead with you to read this before you throw it away. All we ask is but a few seconds of your time. We want you to know that very dark clouds are on the horizon for this world. What is soon coming is the terrible judgment of God against a Christ rejecting world. All that is written in God's Word will come to pass. God has been so very patient not willing that any should perish. The very God Who will judge this world is now still calling men to repent and believe the good news of Jesus Christ...

Get it off your chest!

A while ago, I stopped listening to all those religious appeals and took the Bible and read it simply for myself. In the Old Testament God promised a Saviour and in the New Testament, He speaks of the coming of Jesus Christ, his life and death for us. As I read, I questioned what all this had to do with me? But God was speaking to me so I could hear the truth directly from Him, through His Word and believe it. If these things were not true, that would make God a liar; that would be what I would be calling God if I refused to believe His Word. How dare I refuse to believe God. He tells us: *these things are written, that we might believe that Jesus is the Christ, the Son of God; and that believing we might have life through His Name* (John 20:31). I did it! I believed and received everlasting life.

...that is, if you can call upon the Name of the Lord Jesus¹ you will be saved. We plead with you, in the name of Christ, be reconciled to God. He that knew no sin God made Him sin for us². This is most urgent; tomorrow might be too late. The Lord Jesus alone can deliver you from the wrath to come. Don't stand in peril any longer. Flee now; time is running out; find refuge and salvation in the open arms of the Lord Jesus who died on the cross to save you. He alone can keep you from the judgment to come and wash you from your sins in His most precious blood³. Come to Him now, please, we plead with you because we love you with the love of God Who personally cares about you⁴!

Jesus says "*He that believes in Me has everlasting life*" (John 6:47). I believe in Him; then I must have everlasting life! God says that I am *a son of God through faith in Jesus Christ* (Galatians 3:26) making God my Father! I read on and overwhelmed by these wonderful truths, I didn't realise that I had really gotten my load of sins off my chest! What depth of love! God gave His only Son for me, so that He might, by His sacrifice on the cross and His shed blood save me from my sins. I recognize my sins now; before I wasn't even feeling their weight; now I have repented of them and know the Lord Jesus felt their full weight when He bore them for me on the cross. Now I love my Father and the Lord Jesus my Saviour. I am so thankful to the Lord Jesus for taking this load off my chest and have given Him my heart and my life. Please read and believe the Gospel yourself and you too will be saved!

...divine warnings, confirmed by the Bible, the Word of God. You should therefore be very attentive to the message of hope that God still offers you at this late hour of the history of mankind. The message is simple yet very solemn; it concerns the Lord Jesus Christ, the Son of God Who came to die on the cross to save sinners (*cf 1 Timothy. 1:15*). His work is finished; He is risen from the dead and is still seeking you now in the very last moments of His great patience and longsuffering. Will you not come before it is forever too late? *We pray you in Christ's stead, be reconciled to God* (2 Corinthians 5:20). The dark clouds of judgment are already on the horizon, don't put it off any longer, the Lord is at hand!
