

2023 Forecast

The new year is well under way; the first month already behind us! What do the next ones have in store for us? The bad news from previous months is still haunting us and the horizon seems all the more uncertain. Stability and peace do not appear in the forecast.

Here we are, facing an escalation in Ukraine as heavy tanks are on their way from the Western allies. Could this lead to a wider conflict, involving directly other nations and even a world war? Are we at the eve of the great tribulation, the end times prophesied in the Bible? It does seem possible to us; then where to find peace and safety?

Be not deceived, God is in control and will work all things out according to His counsel and purpose, through His final solution. "*But of the times and the seasons, brethren, ye have no need that I write unto you. For yourselves know perfectly that the day of the Lord so cometh as a thief in the night. For when they shall say, Peace and safety; then sudden destruction cometh upon them, as travail upon a woman with child; and they shall not escape*" (1 Thessalonians 5:1-3). When men will say,, that would surely be after a time of trouble and great concern and instability. The widespread concern for the present course of events could only be put to rest by common resolutions to stop all hostilities; then only could peace and safety be contemplated. But, take notice, as the Word of God indicates, that would be the sign of imminent sudden destruction!

The Perspective of Faith

The plan of God is to establish His Son, the Lord Jesus Christ as the supreme ruler over this world and establish a thousand year reign of peace and righteousness. This unequalled period of peace will be followed by an eternal new creation where righteousness will dwell (2 Peter 3:13). All the details pertaining to this are given in the Bible, the Word of God. Since everything predicted about the past has been fulfilled exactly as prophesied, we are persuaded that the same applies to future events God has told us about. That is why we send out these messages to challenge the reader to hear, to inquire, to search, to be attentive to what God has given us to know in His Word.

The past year was full of upheavals; the coming months seem to predict nothing different. It is still time to seek the Lord, but not for much longer. God in His patience is waiting for the last ones. God sent His Son into the world for the world to be saved by Him. Those who have put their trust in Him will not be condemned; but those who reject Him or neglect to trust Him will. For these there is no mercy or grace for they have refused the wonderful offer of God. Be not part of those who reject and will experience the forewarned sudden destruction. If you have not done so yet, trust now in the Lord Jesus, accepting Him as your Saviour at this very moment. World leaders propose various paths to peace and safety that will never come to pass; those of God will surely come to pass and exactly as He has said. The final solution can only be the coming of the Lord Jesus and the establishment of His rule over this world. Turn to Him now without delay!

God offers only one route to peace and safety; through His Son who died to prepare the way. "*Neither is there salvation in any other, for there is none other name under heaven given among men, whereby we must be saved*" (Acts 4:12). We have so much more to say! But we invite you to read the Bible and get to know all that God has already revealed to us about His plan for our blessing for time and eternity.
