

Please seriously consider the following in its entirety!

Today March 24, 2020, at 11 a.m., the world records just under 400,000 infected with the Covid-19 virus with over 17,000 deaths, since this initial outbreak in Wuhan, China, early December. Be now informed that, according to the same source, since mid December 2019 every day on average 125,000 babies are aborted across the world totalling possibly over 12 million preventable but provoked deaths!

A medical doctor informs us: « The babe leaped in her womb » (Luke 1:41). « The babe leaped in my womb for joy » (Luke 1:44). Elisabeth, the mother of John the baptist, cousin to Mary, the mother of Jesus, was in her sixth month of pregnancy (Luke 1:36). Luke, the evangelist and medical doctor by trade, under the guidance of the Holy Spirit, calls the little one in Elizabeth's womb, a babe. The same word is used to describe the child once born in Luke 2:12! Killing an innocent baby is a crime of great cowardliness, not according to certain men, but according to God. It makes one a partaker of Herod's evil deeds who murdered all the infants under two years of age at the time of the Lord's birth.

In America, being cruel to or killing an animal can lead to imprisonment; but in certain countries or States, one can kill without consequence these little human beings, some alive left to agonize on operating tables. This is exactly what late term abortion means; there can be no doubt that this is murdering a voiceless little baby!

It is time to wake up and to become conscious of this terrible downward slope in which many individuals, politicians and governments are engaging! If you are not sensitive to this*, ask God to make you sensitive and to turn to Him lest He leave you under an inexcusable guiltiness.

What is politically correct is not always divinely or morally correct and will not always remain without consequences. One can benefit temporarily down here from political correctness but the loss it entails might be eternal!

The Lord Jesus can pardon anything, even the most cowardly crimes but He can do nothing for those who refuse to repent and receive His pardon! I pray for you who read these lines. Note that the Lord has compassion even for those who participated, directly or indirectly, in such abominations and He invites each one to receive the grace of His forgiveness. But he remains the uncompromising and merciless judge of those who do not return to Him at His reproof and offer of forgiveness (Proverbs 1:23-29). Herods and herodians of the world, take notice I beg you!

Michel
