

## **We interrupt this program to bring you an urgent message!**

This might appear on your screen sometimes. Or you may get an Amber Alert on your cell phone or see it on highway signs. This is all to get our attention. We have such an urgent message now. This world has been interrupted, everywhere! Does God have your attention?

We need to listen to the important message because He has appointed a day of judgment (Acts 17:31) which cannot be far off. In a few short years, it will be the 2000-year anniversary of the death and resurrection of the Son of God, the Lord Jesus Christ, Who came into the world to save sinners. He has promised to return and that has yet to take place. But we are firmly convinced that the present circumstances this world is experiencing are leading up quickly to the final unfolding of God's plans for this planet.

Scripture prophecy clearly teaches that the Lord Jesus will return in a two-fold way; firstly, to take out of this world those who belong to Him: "*The Lord Himself shall descend from heaven with a shout ... and the dead in Christ shall rise first; then we which are alive and remain shall be caught up together with them in the clouds*" (1 Thessalonians 4:16-17) and, secondly, to appear in power and glory with these same ones with Him and forcefully set up His throne on earth having defeated the armies which will presumptuously dare to come against Him ( *They shall make war with the Lamb, and the Lamb shall overcome them, for it is the Lord of lords and King of kings - Revelation 17:14*).

Jesus said: *the heavens and the earth shall pass away but my words will not* (Matthew 24:35). Pay attention to this late hour message before it is too late. Western civilizations, having a Christian heritage are fast giving up any moral resemblance to the Truth committed to them. Historically they spread the good news of Jesus Christ across the world; now they are spreading humanistic views, approving gross immoral behaviour and funding errors about our origins and, of course, our destiny.

Do not be deceived. These are unprecedented times. Turmoil and great trouble are on the horizon. Take heed to the warnings of God. Seek safety by coming to the only One Who can save you, that is the Lord Jesus Christ Who died on the cross for you and shed his precious blood so your sins could be forgiven. Trust in Him now and receive a full pardon; the only alternatives are to neglect God's offer and eventually perish. It is very solemn. We would all like to hear good news about the Covid going away and resuming life as it was before. It is surely a dear hope to all of us but that may never happen. But one thing sure to happen is what the Bible tells us about the end times which are at our very doorsteps.

Take notice of the interruption and take action now by receiving in your heart, by faith, the Lord Jesus as your Saviour. It is written *:if you will confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you will be saved* (Romans 10:9).
