

## Here we are in 2020!

Would this be the start of a unique decade??

It is surprising to note that, the Old Testament of the Bible, following carefully the multiple year indications noted therein, reveals that Jesus, the Son of God, was born exactly **4000 years** after Adam, the calculations starting with Adam's age given in Genesis 5:3 (130 years).

This same Jesus, owned as Lord now by many, would have died and risen again in the year 29\* of the present era. Some many disagree with this date but all agree that these events happened between years 27 and 33.

« *But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day* » (2 Peter 3:8). Let us carefully note this divine information. According to the first chapter of the book of Genesis, God made the world in six days and rested on the seventh (Genesis 2:2). **Likewise**, there are 4 divine days, or 4000 years, before Jesus's birth; 2 divine days, or 2000 years (possibly in 2029) since the death and resurrection of the Lord Jesus - hence a total of 6 days in divine calculations or the equivalent of 6000 years! The number 7 in Scripture represents that which is complete, there would therefore be left the seventh day of the divine plan, a rest of 1000 years, all this in perfect harmony with the prophecies and outline of the sacred text.

The Bible also warns us of a time of great tribulation of 7 years before the appearing of the Lord Jesus to take possession of the earth and establish his millennial reign down here. 2029 minus 7 years, that would bring us to 2022! **I do not propose this date or any date** but I do want to make you aware of the evident proximity of the prophetic things that are shortly coming to pass.

My personal conviction is that the return of the Lord Jesus for His own, according to his very words in John 14:3 « *I will come again and receive you unto myself* » could happen at any moment. I am ready! Are you?

Do not be **willingly ignorant** (2 Peter 3:5) but rather be of those who **know these things before** (2 Peter 3:17).

Michel  
for 2020 Vision

\*Jesus would have been born in-4 (4 B.C.) according to numerous Bible scholars.
