## A FEW SAFETY TIPS...

---

- Drive with your headlights on and seatbelts buckled.
- When you stop, check tires, leaks, load harnesses and trailer hitch.
- If sleepy, stop as soon as possible to rest or get a coffee.
- Fill up when down to a quarter tank and avoid running out of gas.
- Follow road signs and slow down at night, and in bad weather.

(Turn over please!)

But what about your eternal safety?

Are you really headed in the right direction?

The Bible says: *There is a way that seems right unto a man but the end thereof are the ways of death* (Prov. 14:12). Jesus also said: *I am the way, the truth, and the life; no man comes to the Father, but by Me* (John 14:6).

It might be time to change direction! You can do that now by accepting that the Lord Jesus, the Son of God, died for your sins on the cross. Receive him now, in your heart, by faith as your personal Saviour. There is no salvation outside of Him *for there is none other name under heaven given among men whereby we must be saved* (Acts 4:12). The Bible also says that *if you will confess with your mouth the Lord Jesus and believe in your heart that God has raised Him from the dead, you shall be saved* (Romans 10:9). Believe on the Lord Jesus now and be on the way to heaven and enjoy travelling safely for ever!
